

APPENDIX 2

LANGARA DAYCARE CENTRE IMAGE-TAKING* PERMISSION FORM

***Image-taking refers to the taking of photographs, videotaping, filming or any other electronic means of capturing children's images.**

Occasionally daycare staff take images of the children as they participate in the program. These images are used in the Daycare Centre or for children's learning purposes. They may be used on posters or charts, in scrapbooks and learning materials or on cubbies and placemats as identification, to help children know where their places are.

When images are taken by daycare staff, we require parent or guardian permission as indicated by the parent or guardian's signature on this **Langara Daycare Centre Image-Taking Permission Form**.
