Course Description, Prerequisites, Corequisites:

Students build on the knowledge gained in Advanced Sculpture I, bringing a greater diversity of materials, skills, and processes together to allow for experimentation while continuing to build a language specific to sculpture. Technical demonstrations in the areas of complex mould making and casting in a variety of materials guide assigned projects. Slide lectures, weekly discussions, readings, and critiques aid students in developing the language surrounding sculpture in contemporary and historical contexts. Personal expression is encouraged through supervised independent studio practice for which proposal writing is expected.

Prerequisite(s): A minimum "C-" grade in FINA 2160.
