

CONVOCATION 2022

snəwəyət̚ lələm̚.

THE COLLEGE OF HIGHER LEARNING.

On behalf of Musqueam, congratulations to the 2022 graduates, their families, and friends of snəwəyət̚ lələm̚, Langara College.

Our lands have long been places of learning, and Langara is situated on our unceded, ancestral, and traditional territory on what was once a Musqueam village. We have honoured that connection by gifting the College a name in our language, snəwəyət̚ lələm̚, which means “house of teachings.” The word snəwəyət̚ references the advice given to a child to build their character and to guide them into adulthood. We trust that your time at snəwəyət̚ lələm̚ has helped to do just that, and prepared you all for successful futures.

Our connection with snəwəyət̚ lələm̚ is also reflected in the Convocation ceremonies in a number of ways. A Musqueam drummer opens Convocation leading the procession, and the river grass at the base of the College’s coat of arms, printed on every diploma and certificate, refers to Musqueam, x̣ẉməθḳẉəỵəṃ, which means “people of the river grass.” We value our continued partnership with snəwəyət̚ lələm̚ and the opportunity to share a small part of our culture with you.

Congratulations to all the graduates, including our growing number of Indigenous students who will cross the platform in these ceremonies. Your accomplishment reflects your hard work and talent, and we hope that you continue to contribute to snəwəyət̚ lələm̚, your communities, and society after you graduate. We wish you every success for your future.

Welcome to Langara College's 56th Annual Convocation Ceremonies.

Convocation is the ceremonial calling together of the College community where we recognize outstanding achievements and honour the pursuit of higher learning. Steeped in tradition, it is a transformative event for graduates, a time to reminisce, celebrate, and look ahead to the future.

We wish all of our graduates every success and thank them for their contributions to Langara.

REGALIA, CREDENTIALS, AND MUSIC

ACADEMIC REGALIA

It is traditional for graduates, faculty, staff, and distinguished guests to wear academic regalia at convocation ceremonies. Academic regalia has its history in the academic costumes of 14th and 15th century universities in England, particularly Oxford and Cambridge. The gown, hood, and mortarboard are the basic items of academic regalia and originally had practical functions. The hood was specifically created to provide protection from inclement weather. Along with the rest of the costume, it now has a symbolic function, its colours and style representing the type of credential and the institution that awards it.

At Langara, institutional regalia is worn by our president and members of the Langara Board of Governors. The colours of the regalia are drawn from the Langara Coat of Arms. The President wears our presidential regalia – a green gown with black and gold accents, and a black hood with white lining, gold trim, and green chevrons. Members of the Langara Board of Governors wear our board regalia – a black gown with green panels. Faculty, staff members, and distinguished guests wear regalia of the institute from which they obtained their highest credential.

CREDENTIALS GRANTED

Langara College grants a variety of credentials including bachelor's degrees, post-degree diplomas, post-degree certificates, associate degrees, diplomas, certificates, and citations. Our graduates wear black mortarboards and gowns with either a hood, stole, or tippet to represent their credential.

EMERITUS AWARDS

Emeritus is an honorary title conferred to retiring or retired faculty members and professional staff to recognize their distinguished services to an organization. Langara is proud to announce the conferral of the 2022 Emeritus Awards to Harry Lendvoy, Patty Moore, and Frank Williams for their outstanding contribution to teaching, research, service, or leadership in their professional field.

HARRY LENDVOY

Faculty Emeritus, Kinesiology

In September 2021, Kinesiology instructor, Dr. Harry Lendvoy marked the 50th year of his teaching journey prior to his retirement. Instrumental in course development in the Kinesiology Department, Harry taught more than 12,000 students, and was the Head Coach of the Falcon's men's soccer team from 1973 - 1979. He was a founding Board Member of SportMed BC, and created the BC Sports First Aid Program. Harry was both a Master Course Conductor and a Learning Facilitator for the National Coaching Certification Program, providing coaches across BC with education tools and resources for more than 30 years.

PATTY MOORE

Faculty Emerita, Women's Studies

Patty Moore's dynamism as a feminist visionary, educator, and activist resulted in the creation of Langara's Diploma in Arts & Science (Women's Studies) in 1990, unrivaled in Western Canada. Patty, now retired, was the Coordinator of Women's Studies from 1990-2015. Her administrative savvy earned her the role of Chair of the Interdisciplinary Studies Department, where Patty also taught Canadian Studies and Peace and Conflict Studies. Patty co-edited *The Journal Project: Dialogues and Conversations inside Women's Studies* (1995), with fellow instructor and their students, which is still in print today. Patty's personal warmth and friendly determination made her a well-loved and trusted Langaran among colleagues and students alike.

FRANK WILLIAMS

Faculty Emeritus, Biology and Interdisciplinary Studies

After 30 years of teaching at Langara, Dr. Frank Williams retired in 2021. During his tenure he served terms as Chair of both the Biology and Interdisciplinary Studies Departments, Coordinator of Environmental Studies, and Coordinator of Canadian Studies. Using his expertise in ecology, Frank worked collaboratively with colleagues to create programs in environmental studies, including several environmental studies focused credentials and a field school excursion to the Pacific Rim region of Vancouver Island. He developed and led numerous interdisciplinary field schools, including Fraser River Studies, Haida Gwaii Studies, and two field schools in Thailand. Frank served on the Academic Plan Action Group (APAG) for environmental, financial, and social sustainability and the Langara Faculty Association (LFA) Executive. As an advocate of good environmental practices, Frank also served as a Board Member of Byrne Creek Streamkeepers Society.

Langara's Coat of Arms

Langara's official coat of arms was unveiled at a campus ceremony in January 2015 by His Excellency the Right Honourable David Johnston, Governor General of Canada. Drawing inspiration from the Langara community, the new coat of arms has been designed to reflect Langara's values of learning and discovery and includes elements of the surrounding community. It is used to represent the College at ceremonial occasions.

The coat of arms features a strong X shape, symbolizing the College as a crossroads where students from varied backgrounds meet and then follow various life paths. It also alludes to the Langara campus, which features angular buildings surrounded by green space. The book indicates that Langara is an educational body, and the cherry blossoms are a feature of Vancouver in the spring.

The pantheon represents imagination, achievement, and the natural world. The use of gold stars on green refers to the arms of the Spanish admiral Juan de Langara y Huarte, for whom the College was named. The mariner's compass also alludes to the early Spanish explorers, as well as the College's role in guiding its students.

The falcon is the mascot of the College's intercollegiate sports teams. The binary code on their collars (meaning "L" and "C" for Langara College) honours the College's commitment to innovation in instructional information technology. The base of river grass represents the location of the College's main campus on the unceded, ancestral, and traditional territory of Musqueam, $x^w m\theta k^w \dot{y}\dot{a}m$ meaning "people of the river grass." In January of 2016, Musqueam gifted Langara the name $sn\dot{a}wey\dot{a}t\ l\dot{e}l\dot{a}m$ which means "house of teachings."

The Latin phrase at the base means "knowledge is freedom."
